SACRAMENTO NEAR-DEATH EXPERIENCE SUPPORT GROUP BEGINS OCTOBER 1, 2018

Free, Monthly, and Open to the Public with Guest NDE Speakers

SACRAMENTO, Calif., Sept. 1, 2018 -- A new monthly near-death experience (NDE) support group, a local chapter of the International Association for Near-Death Studies (IANDS.org), will begin in Sacramento on October 1, 2018, 7pm - 9pm, at 2820 R Street, Sacramento, CA 95816, located at the [Sacramento Natural Foods Co-op's Cooking School & Community Learning Center](#). Admission is free and open to the public; but space is limited.

The first 20 people will personally receive from [Kevin Williams](#), webmaster of www.near-death.com and Sacramento resident, a free signed copy of his NDE book entitled "[Nothing Better Than Death](#)." So be sure to reserve your seat soon by contacting Sacramento IANDS Group Leader [Michelle Kuret](#) through the Sacramento NDE website at www.SacramentoNDE.com. Donations are welcome; as much as your heart desires.

Sacramento IANDS will provide regular guest NDE speakers, many of whom are internationally well known. Our first speaker will be [Barbara Bartolome](#), founder of the Santa Barbara IANDS chapter. Barbara has had, not one, but two NDEs. Her second NDE was in 1987 during a medical procedure after which she surprised the medical staff by accurately recounting each of their actions and conversations she witnessed while outside and above her physical body.

The [International Association for Near-Death Studies](#) (IANDS.org) is an educational nonprofit organization whose mission is to provide the most reliable source of information in the field of near-death studies, and to serve as a common forum and community for experiencers and interested people of all walks of life, religions, and cultures. It is the only group of its kind in the world.
